Dear Unit Leader,

I would like to take this opportunity to invite your Troop or Team's youth leaders to attend a new and exciting leadership training experience, the *National* Youth Leader Training (NYLT), to be presented June 9-14, 2008 at the Spencer W. Kimball Scout Reservation (Camp Potosi).

Your youth leaders who participate in this program will, through practical, hands-on applications, learn the latest in leadership concepts and techniques that will provide them with the tools they need to put on a quality Scout program for their Troop. This course helps your scout be a better leader and run a troop or patrol more effectively. Trained youth leadership is essential for a well functioning unit. This course is designed for your youth leaders who want to be the best they can be and who wish to serve their fellow Scouts.

Participants must be age 13 or above, should be First Class or above, and should hold a leadership position in your Troop. Highly successful Troops will most likely provide scholarships, at least for their Senior Patrol Leaders. The cost is \$190 with a \$50 non refundable deposit required per scout.

What the youth will get for the time and money is the tangible items below as well as the ability to practice good leadership skills.

- Approximately 90-Hours of intensive leadership training in six days
- A Leadership Notebook
- All meals
- Two Course Tee-Shirts

They will learn and practice:

- Communications Skills
- Ethical Decision making Skills
- The Leading "EDGE" and the Teaching "EDGE"
- Conflict Resolution Techniques
- How to Build Their Leadership Tool Box
- The Stages of Group Development
- and much more

Once the scout is registered they will be sent a letter with a list of items to bring and more detailed information. Each Scout will need a current physical form for this training course.

If you have youth who have participated in the National Youth Leader Training Conference in past years, perhaps they are good candidates for staff positions this year. Please let me know.

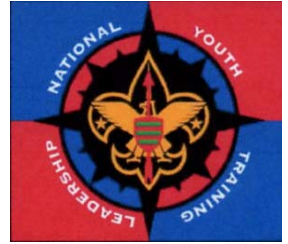

Yours in Scouting,

*Doug Nance*  
Course Director
